REAL - PANLAR LAUNCH

The invitation addressed to the institutions, within the scope of the framework for developing the REAL-PANLAR project, so that they freely express their willingness to participate in the certification process related to the compliance with high quality standards for the management of rheumatoid arthritis that have been proposed by PANLAR, is officially open.

The technical document is available in here.

Instructions for requesting the accreditation:

1. Fill out the certification intention form here.
2. Send the electronic mail enclosing to it the duly filled out form and the contact information of the leader of the process, to the following e-mail certificacionrealpanlar@cencis.org
3. Wait for the answer that will include the schedule and the invitation to the opening meeting.
4. Delivery of the conclusion to the institution: TYPE OF CENTER THAT WILL BE CERTIFIED.

Instructions for the Self-Assessment Process:

1. Fill out the self-assessment based on the type of center that will be certified. (The form will be sent to the center via e-mail).
2. Start up the improvement process counting on the support of the advisory institution, according to the situation of each center.

Instructions for the Process of the Pre-Visit of the REAL - PANLAR Local Verifier:

1. Request for a visit of the REAL-PANLAR local verifier (In accordance with the progress made with respect to the compliance with standards and the improvement plan).
   - The cost of the Pre-Visit of the REAL - PANLAR Local Verifier will be $200, $300 and $500 respectively, depending on the type of center that will be accredited. The travelling costs of the verifier will be paid by the applicant center.
   - Prior common agreement with the local verifier, the applicant center will program the pre-visit within a period of time of six weeks following the date when the initial improvement plan was drafted.

Instructions for the Process of the Final Improvement Plan:

1. Send the improvement plan.
   - After the plan is sent, the applicant institution will be assigned a maximum term of six months in order to comply with what has been defined in the final improvement plan.
   - The accrediting institution and the local verifier will be in charge of following up the pertinent actions and of supervising the activities during the improvement process.

Considerations and expansion of aspects as the following:

- Purpose of the visit.
- Follow up of the accreditation.
- Other provisions
